

Time for Africa to En-gage

Give yourself the best chance of exam success and EN-gage with Kaplan Publishing's next generation of learning solutions for the new ACCA syllabus.

Times are changing for ACCA students...

The new syllabus is due to be examined for the first time in December 2007.....

And Kaplan Publishing has launched the next generation of learning solutions to support you as you study.

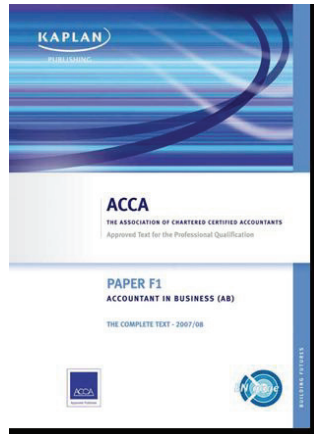

Are you ready to EN-gage?

What is EN-gage?

The EN-gage learning system was created specifically for the new ACCA syllabus by Kaplan Publishing, an ACCA Approved Publisher and experts in the field. EN-gage is

- A unique learning experience
- The most dynamic, comprehensive and innovative tool on the market
- Designed to give students the best possible chance of exam success, based on their feedback
- Text books, revision aids, online elements and testing, created by some of the most experienced tutors in the industry

Text Books - ACCA approved

The new Text Books have been designed based on our research into learning methods and experience as an ACCA Approved Publisher.

- A blend of the popular course notes and in-depth reference material
- Comprehensive syllabus coverage
- Easy to navigate - guides the learner through the product with easy to follow icons
- Includes illustrations, interactive exercises and 'expandable text'
- Follows standards from BDA to make materials dyslexic accessible

EN-gage Online

In addition to the Text, EN-gage online is a state of the art online system that allows learners to study using the internet at their convenience

- A fully integrated learning method
- Searchable on-line reference ware - study anytime, anywhere
- On-line testing and performance management

The EN-gage range also includes the extremely popular revision aids - Exam Kits and Pocket Notes.
